Polish Academy Houston Philosophy of Discipline:

We feel that positive discipline is a form of love and builds self-esteem. Discipline ensures that each participant's experience will be positive. We use the following forms of discipline, depending on the circumstances, the severity of the behavior, and frequency of occurrence: redirection, time-out, offering limited choices, positive

reinforcement, one-on-one conferences, parent conferences, behavior charts, and parent

pick-up. Minor discipline problems will be handled at the program site. If behavioral problems persist, we will contact the parent to discuss the situation. If a child's behavior is unsafe or harmful to themselves or another, the parent will be notified. No refunds are given in the event of removal from the program. Your help in keeping us informed on significant changes or events in your child's life that might impact his/her behavior would be appreciated. Please keep your emergency phone numbers and information up to date.
